

Workshop Facilitation

Provelio have extensive facilitation experience for all aspects of project delivery. An in-depth theoretical understanding blends well with practical knowledge of actually delivering schemes, which ensures that the outcomes of the workshops are of use and of value.

Client	Various
Project Title	Workshop Facilitation
Client Sector	Various
Service Provided	Workshop Facilitation

Our Role

Provelio facilitation services include:

- Partnering workshops, using innovative behavioural profiling techniques
- Value management, including FAST diagrams
- Risk Management, both deterministic and probabilistic
- Briefing workshops, using various methods (including DQI©)
- Post Occupancy Evaluations
- Post project Reviews
- Team Building Sessions

Client Benefits

Provelio focus upon ensuring that facilitated sessions are actually of value. The deliverables must be used by the teams and not put aside. The Provelio approach:

- Blends theory with practical knowledge
- Really challenges all parties
- Is robust and repeatable
- Is of real use
